

MCLGA TEAM REPORT - AGM - Friday 2 November 2018

My sincere apologies that I am unable to be with you to deliver the MCLGA report, but I hope you forgive me for missing my first AGM in more than 30 years.

As I reported last year, we unfortunately did not have a 5-a-side team this year and we had hoped that we might increase our membership to possibly have one in 2019, but alas that's not happened. So I have little to report this year.

But I am fully committed to supporting County golf, something that the **Scottish Golf Union** are not doing. They are even considering withdrawing all funding from the COUNTIES, which would be disastrous for golf development in smaller counties like the Borders/South. That's after they called an EGM to win the support of all counties to INCREASE the SGU fee.

With all Golf Clubs suffering in today's climate, we hope that Midlothian would continue to be supported by lady members in their area.

MCLGA Membership

On behalf of Midlothian I would like to thank all those who participated in fixtures. If you are considering Membership you will find all information on MCLGA Website. There are no restrictions, anyone under the correct criteria can join, you would be most welcome, this can give you an opportunity to play different formats and courses.

If we can recruit more members, we might be able to support Midlothian Greensomes league.

Reminder

[The Annual General Meeting and Prize Giving of Midlothian County Ladies Golf Association will be held on Wednesday 14th November 2018 at Liberton Golf Club starting at 1900.](#)

MCLGA objective:

The policy for Midlothian County Ladies Golf Association (MCLGA) to be committed to supporting and developing county golf by providing training for junior girls and ladies - particularly those aspiring to play for the County team and for National or International Honours. It is a proven fact that young girls like to be in groups and Midlothian give them that opportunity with group coaching and golf games on our very own Templar course.

As your Midlothian Rep and on behalf of Midlothian Ladies I would like to thank all Midlothian Lady members for their support this season and try encourage others to join next year.

Muriel Gilligan, (MCLGA Rep)
