

SWANSTON LADIES 2019

Most Improved Player:

A prize will be presented for this category at the AGM dinner. The winner will be the player whose handicap has reduced most significantly during the calendar year.

Eclectic:

Eclectic points (your “ideal” best ever score based on your results per hole in each competition) are calculated following each qualifying competition plus the 3-Club Competition and can be viewed on HDID. At the start of the season, each member of the main course will be invited to pay an optional £2 into a “purse”. The Eclectic winner will be the player with the best Eclectic score at the end of September. Provided they have paid £2 at the onset, the winner will be presented with the total at the AGM Dinner. If the winner had opted out of paying £2, then the “purse” will be presented to whoever comes second, etc.

Order of Merit (OOM)

Scoring for the Order of Merit will include **all qualifying Ladies' competitions** at Swanston played from April to September. The 3-Club Competition is included in OOM but will not affect your handicap.

The winner and Runner-up in the Bronze and Silver Ladies Championships will be awarded OOM points; 105 to Winner and 80 to Runner-up. No points will be awarded to any other player. Matchplay Competition i.e Hareburn and 9-hole challenge do not qualify for any points.

Ladies playing in the Wednesday Club stableford can have their scores added to the Eclectic but do not qualify for any OOM points.

The winner is the player with the highest number of OOM points at 30th September. The Order of Merit results are available on HDID and will also be posted on the Ladies' noticeboard at the end of each month. The winner will receive a £10 token at the AGM Dinner.
