

HANDICAP REPORT 2019

Good evening ladies.

Starting off with the 9 hole stablefords – we have played 4 this year, half of them being won by Annette in April and May! The other 2 were July which was won by Elizabeth and August by myself.

The 18 hole stableford winners were spread out this year, May being won by Rebecca, June was won by Zoe, the 2 played in July were won by Sue and Zoe and the last 2 in September were won by me.

We managed to play all but one medal this year, if I remember the weather was pretty awful that day in May! Again they have been spread out with lots of winners – April by Fiona, the 2 in June were won by Elizabeth and myself, July was myself, there were 2 in August which were won by Nancy and Sue and the last medal of the year in September was won by Margaret.

Turning to our club championships, the Silver Championship was played by myself and Linda. Starting off very quickly Linda took control of the match and I did start to wonder if it would be over in no time with Linda being 3 up after 3 holes but I managed to claw the score back to all square, only to go 3 down again by the 13th. Trying not to embarrass myself yet again, I did manage to get back the score back to 1 down after 16 but Linda held her nerve and secured the win on the 17th. Well done Linda. The Bronze Championship was played between Zoe and Fiona, unfortunately the nerves got the better of Zoe on the day with Fiona coming out the winner. Again, well done Fiona on your win. Zoe I'm sure you'll be better prepared for next year!

The trophy winners are as follows:

Stableford Trophy	Rebecca Bell
Summer Cup	Muriel Gilligan
Bogey Trophy	Linda Tse
Caerketton Cup	Muriel Gilligan
