

FRIENDLIES REPORT 2022

This year we have enjoyed 5 Friendlies with other clubs and although we have not had a great deal of wins this year, each match has been extremely sociable and enjoyable.

Firstly, we played Lochend at Swanston and lost all three matches.

Secondly, we played Kingsknowe at Swanston and won 2 and lost 1.

Thirdly, we played Merchants at their club and lost all 3 matches.

Fourthly, we played Craigmillar Park at their club and lost 2 matches and drew 1.

Fifthly, we played Edinburgh University Ladies at Swanston and won 2 and lost 2.

Foe 2023 I will organise a number of Friendlies and now that we have new members, I hope you can participate and enjoy this link with other clubs. Please be aware of information placed on the Noticeboard in the Ladies Locker room and add your name if you want to play.

Lastly, I have organised the Friendlies for a few years now and would be happy to involve and pass over this task to someone else. I could do this jointly with anyone who may be interested.

It may also be that some of you have links with other clubs and those clubs might be interested in participating. Just ask them or let me know.

Thank you.
