Information and Guidance:

Entering Junior Events –

- Event sign-up details are posted on the Swanton Junior Facebook Group one week before each event and emailed.
- Templar – Sign up via the online form shared on the Facebook page or by email.
- Main Course – Sign up via BRS, selecting an available tee time on the times allocated for juniors on the event day. Bookings for events close at midnight the day before (this allows us to finalise groups/teams and cancel unused tee times).

Course Progression for Juniors:

Templar Course –

- Ideal for beginners and developing players.
- Hosts a range of team and individual junior events.
- For juniors aiming to move to the main course they should be aiming to complete the Templar in under 40 shots.

Blue Tees (Main course front 9) –

- Transitional step from Templar to Main Course
- Friday stablefords good chance to mix with players playing off yellow/red tees.
- Tees are set 150–200 yards forward on front 9 holes.
- Provides manageable distances to full-size greens and bunkers.

Main Course (Yellow / Red Tees) -

- For juniors who can complete the Blue Tees in under 50 shots and feel ready to submit cards for a handicap
- Juniors should play front 9 only until they can complete it in 50 shots or fewer and Finish within 1 hour 45 minutes.
- Expected pace for 18 holes: 2–3 ball: 3–3.5 hours.
- Juniors without a handicap must be accompanied by an adult at all times on the main course.

- During school summer holidays, juniors with handicaps may play with juniors gaining their first handicap but adult members must be allowed to play through if required.

Using BRS for Main Course -

- Log out of your account for the Templar.
- Change course to Swanston.
- Log back in using the same login details for Templar.
- Book as you would a tee time on the Templar course
- If your child can no longer attend an event, please inform a junior volunteer as early as possible via email or Facebook.

Handicaps -

- Juniors must inform the shop before playing when submitting a card.
- Juniors must be accompanied by an adult member or another member with a handicap (to mark the card)
- 54 holes are required to gain a handicap.
- Scores can be submitted in 9- or 18-hole increments.
- Cards must be played from Yellow (boys) or Red (girls) tees.
- Blue Tee cards cannot be used to submit cards for handicap.

Junior Championships -

Templar – Under 12s

- Eligibility: 12 on 1 January (even if now 13) and **no handicap**
- The format is 2 Stroke play qualifiers and the best 9-hole score over the 2 events counts.
- Top 8 qualify for match play knockouts.
- Quarter & semi-finals: match play.
- Final: 18-hole match play
- Caddying/coaching allowed in qualifiers & knockouts.
- Final: caddying only (no coaching)

Blue Tees Championship -

- For juniors working towards a handicap or have recently obtained a handicap (handicap must be 30 or over on the first qualifier you take part in, but is ok if it comes down throughout the competition)
- Designed as a bridge before main course medals/championships.
- Same format as U12s: Three stroke play qualifiers - best score counts
- Match play knockouts.
- Finals on Finals Day in August

Under 14s / Under 18s/Girls -

- Same format as U12s: Three stroke play qualifiers - best score counts
- Match play knockouts.
- Finals on Finals Day in August
- U14 eligibility: 14 on 1 January (even if now 15)

Important Rules

- **Juniors may only enter one championship.**
- **All championships are gross score only (no handicaps)**
- **All championship dates follow the published fixture list.**

- **No changes, amendments, or exceptions will be made.**
- **Quarter Finals/Semi Finals/finals must be played on the specified date in the fixture list.**
